Trenton, NJ 08625-0360

**REPORT OF INFLUENZA AND PNEUMOCOCCAL IMMUNIZATION
AS REQUIRED IN HOSPITAL REGULATION N.J.A.C. 8:43G-14.6
AND REHABILITATION HOSPITAL REGULATION N.J.A.C. 8:43H-20.2
FOR CALENDAR YEAR 2003**

New Jersey Hospital licensing regulations at N.J.A.C. 8:43G-14.6 and N.J.A.C. 8:43H-20.2 require hospitals to report the number of influenza and pneumococcal immunizations given each year to patients aged 65 and over. The data must be reported by July 1st of the following year. The deadline for reporting figures for 2003 is July 1, 2004.

Any questions regarding this report may be directed to the Certificate of Need and Acute Care Licensure Program at (609) 292-5960.
